I have the right to review the Notice of Privacy Practices prior to signing this consent and to receive a printed or electronic copy of the Notice.
- I have the right to request restrictions to the usage and disclosure of my Protected Health Information (PHI) to carry out TPO. I understand that while Elixir may honor these requests, they are not required by law to do so. If Elixir agrees, Elixir is bound by this agreement.
- I have the right to revoke this consent, in writing, at any time, except to the extent that the practice has already made disclosures in reliance upon my prior consent. Revocations will be honored as of the date they are received by Elixir at the following address:

- With this consent, Elixir may call my home or other alternative location and leave a message on voice mail or in person in reference to any items that assist the practice in carrying out TPO, such as appointment reminders, insurance items and any calls pertaining to my clinical care, including laboratory test results, among others.
- With this consent, Elixir may mail to my home or other alternative location any items that assist the practice in carrying out TPO, such as appointment reminder cards and patient statements as long as they are marked “Personal and Confidential.”
- With this consent, Elixir may e-mail to my home or other alternative location any items that assist the practice in carrying out TPO, such as appointment reminders and patient statements.

By signing this form, I am consenting to allow Elixir to use and disclose my PHI to carry out TPO. If I do not sign this consent, or later revoke it, Elixir may decline to provide treatment to me.
